This is a heavy Pro bag with all features
necessary for contractplayers only.

E-Caddy EC1

Metacarbon Technology: Long Lasting, Spin Control, More Distance

The Metacarbon™-Shaft is out of a patented materialmix which OLIVER is using since 2004 in which lead already to testwinning products. Stability and tractioncontrol are the outstanding features of our new shafts.

Centric P12 Woods

Moulded graphit combined with a stainless steelface allows almost every size and weight ballance. The Centric P12 line offers wood 3, 5, 7 and 9. The construction is similar to the driver which leads to relatively high take off angeles and low spinvalues. A perfect symbiose between control and length.

Specifications	Wood 3	Wood 5	Wood 7	Wood 9
Loft	16°	18°	20°	23°
Lie	57°	58°	59°	59,5°
Length	43"	42"	41,5"	41"
Weight	205 g	213 g	218 g	223 g
Swingweight	D0	D0	D0	D0

Driver

Trouble Wood

Trouble Wood

"Are you in trouble – get out of trouble" This simple motto did lead to an extrem flat wood which enables you to go through the semirough without any problems and which leads to a unknown distance out of such situations. The 17° wood can although be used in the bunker as long as the ball is placed on top of the sand. A phantastic and easy weapon.

Centric P12 Driver

The P12 driver is a combination of a inside welded carbon crown along with a titan clubhead. The energy response is slightly below 1 and the enlarged sweetspot leads to added forgiveness.

Specifications	Loft	Lie	Length	Weight	Swingweight
Driver	11°	58°	45"	190 g	D0
Trouble Wood	15°/17°	58°/59°	42"/41,5"	195g/190g	D0

Putters

Blackbird P12

The Blackbird is a new developed Putter with an enlay-material which is based on urethan which leads to a soft feeling without losing length. A well ballanced weight and an optimal massdistribution perform in a way which will fill you with selfconfidence.

Oliver Classic

Innovative insert technology by which volume and location idealy harmonize with each other. The backbouncespeed is higher because we put the weight lower and we used a shorter hosel.

Specifications	Loft	Lie	Length	Weight
Black Bird P12	4°	90°	34"	350 g
Oliver Classic	4°	72,5°	34"	335 g
